

A New York City research and information company, Castle Connolly Medical Ltd., publishes an annual guidebook, *Top Doctors: New York Metro Area*, which lists what it has determined to be the top 10 percent of the region's physicians. Orthopaedic Associates of Manhasset, PC is proud to announce that five of our physicians have been recognized as "Top Doctors" for the NY Metro area for 2016, Dr. David Tuckman, Dr. Richard D'Agostino, Dr. Bruce Seideman, Dr. Peter Stein, and Dr. Michael Angel. The doctors have additionally been listed in Newsday's 2016 Top Doctor edition. Dr. Tuckman and Dr. D'Agostino are also featured in New York Magazine's listing, condensed to the top 2 percent of New York area physicians, as determined by Castle Connolly.
